HAZARDOUS MATERIAL EMERGENCY PLANNING
AND RESPONSE COMPLIANCE

AFI 32-4002, 9 May 94, is supplemented as follows:

ANGSUP 1 implements Air Force Policy Directive (AFPD) 32-40 and Air Force Instruction (AFI) 32-4002. This supplement implements the Air National Guard Hazardous Materials Emergency Planning and Response Program to directly support ANG activities and comply with Federal, State and local law and DOD directives. It establishes and identifies responsibilities at ANG level and unit level concerning Hazardous Materials planning procedures and HAZMAT response. Comments, recommendations, and proposed changes to this supplement should be submitted to ANG/CEXE, 3500 Fetchet Ave, Andrews AFB, MD 20762-5157.

Chapter 1

1.3.2.1. **(Added) (ANG). Environmental Protection Committee (EPC):** Chaired by the Installation Commander; oversees the installation Hazardous Materials (HAZMAT) program.

1.3.2.2. **(Added) (ANG). Base Civil Engineer (BCE):** Develops policies and procedures to incorporate HAZMAT emergency planning and response requirements into base readiness programs.

1.3.2.3. **(Added) (ANG). Environmental Management (EM/CEV):** Serves as the Office of Primary Responsibility (OPR) for the Installation Hazardous Waste Program to ensure compliance with all federal, state and local regulations including the Resource Conservation and Recovery Act. Serves as the technical expert for spill response to ensure proper authorities are contacted for notification and cleanup (through disposal) is done in compliance with applicable federal, state and local regulations. Serves as technical expert for EPCRA reporting requirements to ensure reports and plans are filed appropriately and timely. Evaluates installation HAZMAT training courses conducted by CEF to ensure compliance with federal, state and local regulations.

1.3.2.4. **(Added) (ANG). Readiness Flight (CEX).** Provides the Installation HAZMAT Program Manager. Serves as the Office of Primary Responsibility (OPR) for all planning activities of the installation HAZMAT program (SARA Title III/EPCRA), to include all installation HAZMAT Emergency Response Plans.

1.3.2.5. **(Added) (ANG). Base Fire Department (CEF).** Serves as the OPR for the installation initial HAZMAT response capability to include: installation HAZWOPER training levels I, II, III, and V. The Base Fire Department will document this training on the member's AF Form 55 or designed suitable substitute.

1.3.2.6. **(Added) (ANG). Bio-Environmental Engineer (SGBP).** Serves as the OPR for industrial hygiene, radiological health and environmental sampling, analysis and monitoring, health risk assessment and personal protective equipment, HAZMAT inventories, and public evacuation requirements.

1.3.2.7. **(Added) (ANG). Judge Advocate (JA):** Serves as the OPR for legal matters concerning compliance of the installation HAZMAT program.

1.3.2.8. **(Added) (ANG). Financial Manager (FM):** Ensures a HAZMAT program baseline fiscal requirement is included in annual fiscal activities.

Chapter 2

2.1.1. **(Added) (ANG).** Tenant units/GSUs will provide representation for the host unit's team.

2.1.2. **(Added) (ANG)**. "...and chairs planning team meetings."

2.1.2.1. **(Replaced) (ANG)**. The full-time readiness program manager serves as the HAZMAT program manager.

2.2.2. **(Added) (ANG)**. Add the following bullet:

- Include hazards analysis results as a tab to the HAZMAT Appendix of Annex A to Base Oplan 32-1.

2.2.5. **(Replaced) (ANG)**. ANG units will budget for and use Emergency Information System/Windows (EIS/WIN) for hazards analysis.

2.2.6. **(Change) (ANG)**. "Each installation..." to "The EPC..."

2.3. **(Change) (ANG)**. "Each installation..." to "The EPC..."

2.3.4. **(Added) (ANG)**. The HAZMAT program manager may coordinate these requirements as a member of the Local Emergency Planning Committee.

2.4. **(Added) (ANG)**. "The EPC directs prioritization of this function."

2.5.5. **(Added) (ANG)**. Forward copies of the HAZMAT plan to ANG/CEXE and the POMSO.

2.5.7. **(Added) (ANG)**. ANG units will notify ANG/CEXE when identified as an Air Force Installation along designated routes.

Chapter 3

3.1. **(Added) (ANG)**. ANG units may establish, in writing, mutual aid or contractual agreements for installation HAZMAT response providing they comply with Federal, State, and local requirements.

3.2. **(Added) (ANG)**. ANG units may establish, in writing, mutual aid or contractual agreements for installation post-emergency HAZMAT response providing they comply with Federal, state, and local requirements.

3.3.1. **(Added) (ANG)**. The CE Readiness Flight will operate and provide the on-scene mobile command post where a major accident has occurred.

Table 3.1. **(Change) (ANG)**. "Disaster Preparedness" to "CE Readiness Flight"

3.4. **(Added) (ANG)**. Forward a copy of the post-incident review to ANGRC/CEXE.

3.5.2. **(Added) (ANG)**. The Fire Department serves as the OPR for this training. Units may augment their Federal Hazardous Communications Training program to satisfy this requirement. If used, it will be documented separately. Copies of all training certifications will be provided to the CE Readiness Flight.

4.1.1.2. **(Added) (ANG)**. ANG units also use ANGI 10-206, *Operational Reporting*.
